Place front of cart
towards the street

1 Cart must be placed on level surface, at curb with the front of cart facing forward (see example above). In addition cart must be clear of any obstacles, such as mailboxes, bushes, cars, snow piles, etc.

2 No lid fasteners on cart - rope, bungee cords, bricks, etc.

3 Please notify our office of any extra trash outside the cart, an extra charge may apply.

These few steps will help our driver dump your cart quickly and safely.
